

# FROM THE PRESIDENT'S DESK

DR. EMMANUEL OSEI

Dear Brothers and Sisters,

I bring you greetings from the South England Conference.

I thank God for the many Adventurers who were enjoying the camporee in Phasels Wood Activity Centre. It was encouraging for me to see the various clubs relaxed and making the most of this experience. Once again, commendations go to the Pathfinder Director, Pastor Clifford Herman and his dedicated team of Coordinators and Helpers for doing such an excellent work. It was also encouraging to see the Children's Ministries Director, Ms Judy Clements, Uncle Craige Young and their team, collaborate with the Pathfinder Department to minister to all our children. We are truly grateful to God for such commitment and dedication exhibited to our children.

Traditional campaigns still work! We witnessed the Holy Spirit working through the ministry of our Prayer Ministries Intercessors and Dr Samuel Telemaque as they concluded the Hope Beyond Campaign at the Holloway Church. Eleven precious souls were baptised and 6 more are to be baptised on the second Sabbath of August. We give God thanks for the moving of His Spirit.

This afternoon, the Executive Secretary for the Ukrainian Union, Pastor Igor I. Koreschuk, visited my office to express appreciation for the sacrifice and contributions received from members of the South England Conference during their crisis. He also took time to visit fellow Ukrainians who have fled the war-torn country and sought refuge in this country.

We prayed together as we await to see whether the GC will attach Ukraine to our Trans European Division. As strange as it may seem, the Church has always grown when there was a crisis. Many Ukrainians whether members or non-members have turned to the church for refuge and help during this crisis.

May we continue to pray for our brothers and sisters and do whatever we can to demonstrate our Christianity to those less fortunate. Let us continue to **Make Disciples and Build Communities**.

**CHURCH GROWTH DEPARTMENT  
"SMALL CHURCH BIG IMPACT" -RETREAT**

If you find yourself in one of the “small churches” (fewer than 100 members) across the South England Conference, you might be tempted to think that you are not measuring up, struggling too much, working hard and making slow progress. But “small churches” outnumber larger ones - not only within Adventism, but across the Christian experience. “Small” is the most common experience, and it can be a wonderful, empowering, exciting, warm and impactful one!

If you would like to change up your “Small Church” experience for greater impact, sign up for the “Small Church BIG Impact” Retreat presented by the Community Services and Church Growth Departments of the South England Conference. Held at the new Hay's Wood Retreat Centre from 16 - 18 September 2022, this promises to be a weekend of fellowship, encouragement, affirmation, and support for small churches wanting to increase their mission and ministry impact!

Scan the QR Code and “Follow” for regular updates and more information.

Kindly share across your platforms!

Blessings always!

We all need “Deliverance” so please share with all, on your social media platforms and your promotions. The meeting will be held live at Croydon SDA Church and on all social media platforms as well as live via Zoom.
