

NORTH WEMBLEY COMMUNITY SEVENTH-DAY ADVENTIST CHURCH

Providing emergency financial help to those in our congregation

8th November, 2020

Greetings Church Family

There is likely to be a requirement for emergency help in most churches, due to the loss of income where jobs have been cut. For some people there may be support forthcoming from the Government schemes that are set up and running, but providing short-term help may be an entirely appropriate response for our church North Wembley Community SDA (NW) to adopt.

Since this is such a fast-moving situation, **NW has set aside a small COVID19 fund as we anticipate the needs of the congregation during this unprecedented health and financial crisis.** The main criteria are that an individual has an immediate need, and their resources are insufficient to meet that need. The amount of funding is expected to be individually small and prioritisation, speed and security is important.

It may be helpful for you to cascade this information within teams, or in your NW forums.

We invite you to contact one of the church elders if you are struggling financially, so that we can calibrate a response accordingly.

Remember - The Macedonian churches. "in the midst of a very severe trial, their overflowing joy and their extreme poverty welled up in rich generosity"
(2 Cor.8.2)

Blessings

Thank You

Elder Liz Reid
