

PASTORAL NEWSLETTER

OFFICIAL NEWSLETTER OF THE SOUTH ENGLAND CONFERENCE

FROM THE PRESIDENT'S DESK

DR. EMMANUEL OSEI

Dear Friends,

I trust you and your loved ones are doing well. We have now completed the appraisal of our pastors in the conference. We are grateful to God for the good work being done by our ministers. We would also like to thank our Board Members who have taken time to complete the Improving Ministerial Accountability forms. We were able to share the results with our ministers.

Those Board Members who did not complete these forms, we would still want to encourage you to complete them and let the First Elder share the results with the Pastor. We have found these documents very helpful.

We also want to take time to thank you for your faithfulness to God in returning tithes and offerings. We have seen an increase in tithes in many of the churches as we did our appraisals.

As you are aware, the first two years of this quadrennium has been devoted to **discipleship training**. However, this year we are focusing on **Building Communities**. For this to happen, we need to engage with our community. Every Area Coordinator has been tasked with conducting an Area Health Expo. We believe we can introduce ourselves to our community during this event and make connections with our community.

On 1st May, we are planning a major Health and Wellbeing Extravaganza for the community of Area 7 at **Stanborough Park**. This will be an event for the entire family with activities for all. We are also partnering with other charitable organizations with the hope of making connections and then ministering to their needs before sign posting them to our churches.

This is a very simple strategy which is inspired by EG White: *Christ's method alone will give true success in reaching the people. The Savior mingled with people as one who desired their good. He showed sympathy for them, ministered to their needs, and won their confidence. Then He invited them, "Follow Me."*

Please refer to our poster for more information on our Health Extravaganza.

It is my prayer that the Lord will bless our efforts as each Area embarks on mingling with our community members during the **Health Expo's around the conference**.
